Work Experience

Mount Pleasant Group

Toronto, ON

Funeral Directors Assistant

June 2025 - Present

- Assisted with funeral preparations and services by helping set up arrangements, transporting flowers and remains and ensuring services ran smoothly and respectfully.
- Handled administrative and customer service tasks by answering family inquiries, scheduling appointments, using the company's P-drive to assist customers in locating graves through the cemetery database.

McDonalds

Toronto, ON

Shift Manager

March 2022 - April 2025

- Supervised daily restaurant operations during high-volume shifts, coordinating staff workflow, maintaining service standards, and resolving customer concerns to ensure efficient operations.
- Managed employee scheduling and shift staffing while reconciling cash registers and daily store earnings to maintain accurate financial record keeping.

Projects

➤ [Personal Portfolio Website](#)

Developed a responsive personal portfolio website using HTML, CSS, and JavaScript to showcase projects, technical skills, and contact information.

➤ [Ontario & Federal Income Tax Calculator](#)

Developed a Python-based Ontario and Federal income tax calculator featuring a unique reference ID system that enables users to securely save and retrieve completed tax calculations.

➤ [NBA Breakout Season Analysis](#)

Developed a Python analytics tool that fetches multi-season player statistics from a REST API and analyzes the data using Pandas and NumPy to identify and rank players having breakout seasons using a scoring model.
